

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve Plans and Specifications and Authorize Advertisement for Bids for Salas and Legion Playground Improvement Project, 2001 S. South Street and 835 S. Hutchins Street

MEETING DATE: September 4, 2002

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council approve the above project and authorize advertising of bids.

BACKGROUND INFORMATION: This project was previously approved as part of the Parks and Recreation Departments 2002/2003 CDBG project requests.

As we continue to upgrade our playground areas to meet ADA and safety code regulations we are being required to make changes to improvements that have recently been completed. New requirements state that we must provide a pathway to the handicap transfer point of the play equipment from the nearest walkway. The scope of work will consist of installing a poured-in-place cushioned, seamless rubber material over compacted base.

Plans and specifications are available for review in the Parks and Recreation Department.
